```
-----GUESS THE WORD-----  
-----
```

Game Rules:

===== WORD GUESS GAME RULES =====

Feedback Rules:

G = Correct letter in correct position

Y = Correct letter in wrong position

X = Letter not present in the word

Sample Feedback:

Hidden Word: MANGO

User Guess : MAGIC

Output:

M A G I C

G G Y X X

Game Rules:

1. You have a maximum of 6 attempts to guess the word.
2. Enter only one word per attempt.
3. Input must contain only English letters (A-Z).
4. No numbers, spaces, or special characters are allowed.
5. Word comparison is case-insensitive.
6. If you guess the correct word, the game ends immediately.
7. If all 6 attempts are used, the game is over.
8. Feedback contains only X, G, and Y:
X = Letter not present in the word
G = Correct letter in correct position
Y = Correct letter in wrong position

=====

Difficulty Levels:

Easy -> 3-letter words

Medium -> 4-letter words

Hard -> 5-letter words

Tip: Choose your difficulty wisely!

```
